WITH A GIVING HEART

National Philanthropy Day®

About National Philanthropy Day

National Philanthropy Day is a special day to honour and recognize the important contributions that philanthropy and those active in our philanthropic community – make to our lives, our communities, and the world.

AFP Calgary & Area will join chapters globally and across Canada on **November 4th, 2026** to present our Generosity of Spirit Awards, live and in-person, at the Hyatt Regency Calgary Hotel's Imperial Ballroom. We will gather to honour individuals, organizations and corporations in the Calgary area who generously give their time, talent and resources for the benefit and enrichment of our shared communities.

By supporting AFP Calgary & Area chapter you assist in strengthening the philanthropic community, the best practices of our sector, and code of ethical standards that raise the capacity for all charities in Calgary to achieve their mission and support the communities they serve.

We invite philanthropic leaders in Calgary & Area to join this annual celebration as sponsors, and in doing so pay tribute to these exceptional members of our community. Proceeds from National Philanthropy Day help sustain the Calgary & Area Chapter of AFP and its year-long professional development programs – supporting fundraising professionals across the region.

Thank you for your consideration to support Calgary's chapter of the Association of Fundraising Professionals (AFP) and our philanthropic community.
